

IMA Internship Application Requirements

Indianapolis Museum of Art Internship Program

Deadlines:

Summer Internships: **March 12, 2010**

The Indianapolis Museum of Art Internship Program is designed to mentor future museum professionals by providing real-world learning experiences. Internships are available for undergraduate juniors, seniors and graduate students.

Internships are available in several departments; to see a complete listing of 2010 summer internships visit <http://www.imamuseum.org/programs/internships>

Interns will be expected to participate in the on-going work of the department to which they have been assigned and will, within the time frame of their internship, complete a project or some portion of a major project with the guidance of their departmental mentor.

Application Materials must include:

Completed application form

Resume

Cover Letter

Recommendation (academic is preferred, however we will accept a professional recommendation)

Writing Sample

Digital or print copy of transcript

Please submit complete application materials to:

Indianapolis Museum of Art

Human Resources-Internship Program

4000 Michigan Road
